Please obtain for S.N. 10/017717:

Tikkanen et al., "Dietary soy-derived isoflavone phytoestrogens. Could they have a role in coronary heart disease prevention?", **Biochemical Pharmacology**, 60(1), pp. 1-5 (July 1, 2000).

Korthuis et al., "Postischemic leukocyte/endothelial cell interactions and microvascular barrier dysfunction in skeletal muscle: cellular mechanisms and effect of Daflon 500mg", **International Journal of Microcirculation: Clinical and Experimental**, 17 Suppl. 1, 11-7 (1997).

Friesenecker et al., "Cellular basis of inflammation, edema and the activity of Daflon 500mg", **International Journal of Microcirculation: Clinical and Experimental**, 15 Suppl 1 17-21 (1995).

Anonymous, "Dietary flavonoids and risk of coronary heart disease", **Nutrition Reviews**, 52(2 Pt 1) (February, 1994).

Thank you.
